## Burnt toast podcast

Food intersects with our lives in more ways than we think. Food52's Burnt Toast podcast pursues those stories to give listeners the perfect pieces of snack-all night meals in travel time. In every episode, host Michael Harlan Turkell explores different aspects of food culture and community, highlighting the often surprising past informing what we eat every day, and meeting with some people who make up the present and future of food. Visual artists, musicians, software developers and other creatives are invited to talk about their background, current work and future vision. ART FOR YOUR EARS brings you stories from some of my favorite contemporary artists. When I review Art History, the best part is, well, gossip. I like to find out why artists do certain things, what's going on in their private lives, and behind the scenes details about other artists they know and work with. This podcast is exactly that ... stories in scope from those artsiest people I know. You will hear the first hand from talented, successful, full-time artists (who are also happy... Ever wanted to mingle with a comedian, dominatrix, health teacher, bank robber, writer, or Italian prince? Well, here's your chance. Tangentially Speaking is dedicated to the idea that good conversations are organic, unreliable, revelatory, and free to get off unexpected pathways. Ask questions, votes and find answers about Chicago, the region and its people. From WBEZ. Podcasts and Resources on Contemporary Social-Scientific Studies Live presentations and conversations in which artists talk about their work, their processes, and themselves. Genre-blind but open eared. Hosted by John Schaefer. Food intersects with our lives in more ways than we think. Food52's Burnt Toast podcast pursues those stories to give listeners the perfect pieces of snack-all night meals in travel time. In every episode, host Michael Harlan Turkell explores different aspects of food culture and community, highlighting the often surprising past informing what we eat every day, and meeting with some people who make up the present and future of food. Introducing: Play Me Head Recipes to the kitchen with your favorite Food52 cuisine and their special guests. They'll cut, stir, and shy away their way through the recipe—and you'll be there with them, every step of the way. Oops! Dreamy-Smooth Hummus Hey, Burnt Toast fan! Kristen is here. To keep getting episodes and hearings from me and my merry group of geniuses, jump up and subscribe directly to the Genius Recipe Tape. This week, I was joined by cookbook authors, recipe developers, podcasters, and hetty McKinnon salads-slingers. Go For Run-Not for Palestine Hey, Fans Burnt Toast! Kristen is here.
